## **CASCADE TECHNICAL SCIENCES QUALITY ASSURANCE POLICY**

Cascade Technical Sciences, Inc., its management and employees, provide testing services that:

- a. Conform to the customers' legitimate needs, requirements and intended use.
- b. Are consistent with the highest level of service and quality in the industry.
- c. Comply with applicable government standards and regulations.
- e. Are in accordance with Cascade Technical Sciences, Inc., Quality Manual and all supporting documentation.

The quality system of Cascade Technical Sciences Environmental Testing Services are structured to:

1. MIL-I-45208A Inspection System Requirements
2. MIL-STD-45662A, Calibration System Requirements
3. ANSI/IEC Guide 17025-1999, General Requirements for the Competence of Calibration and Testing Laboratories.
4. ANSI/NCSL Z540-1-1994
5. ISO 9004 Quality Management and Quality System Elements Guidelines.

Our Quality Assurance Manual is available for review at our facility at any time and we welcome 3<sup>rd</sup> party audits of our Quality Assurance Policies.

Sincerely,

A handwritten signature in black ink, appearing to read "Dennis Harshman".

Dennis Harshman

Quality Assurance Manager
